

06/16/2001

ABOUT ME

I'm a Full Stack Developer with over 3 years of experience working on complex web projects, maintaining their updates and scalability. Additionally, I've developed a mobile application from scratch using React Native.

Currently, I'm pursuing a degree in Computer Systems Analysis. I obtained the title of Higher Technician in Computer Programming in 2023, and I expect to graduate as a Bachelor in 2025.
